

**STUDENT FINANCIAL AID**

---

UA Cossatot participates in federal, state, and local financial assistance programs that are deemed to be in the best interests of the College and students. In all cases, the College adheres to the guidelines set forth for those programs. Records of financial aid activities are audited along with the normal College records.

The Financial Aid Office disseminates information on the types of financial aid available and the requirements for each. In addition, the Financial Aid Office prepares a Financial Aid Procedures Manual detailing procedures for administering the financial aid program.

For the purpose of determining financial aid eligibility for Title IV programs, twelve semester hours is considered to be full time.
